General Manager (EQP)
CGMSC Ltd., Raipur (C.G.)

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
1	Page No 109 Point No-1	4. System shall comply international standard protocol for IMRT, VMAT, SRSR, SRT, SBRT applications and upgradable if any innovative capabilities. FDA and CE certificate must be provided.	Request to amend this point as: - 4. System shall comply international standard protocol for IMRT, VMAT, SRSR/SRT/SBRT applications and upgradable if any innovative capabilities. FDA and CE certificate must be provided	System shall comply international standard protocol for IMRT,VMAT, SRSR/SRT/SBRT applications and upgradable if any innovative capabilities. FDA and CE certificate must be provided.
2	Page No-109 Point No-13 Specs No-22	Portal Imaging	Imgaing Capabilities: - Please clarify whether – MV Imaging (MV CBCT) G KV Imaging (KV CBCT) – Both are required Or MV Imaging (MV CBCT) / KV Imgaing (KV CBCT) is required	Integrated Portal Imaging . MV Imaging (MV CBCT) & KV Imaging (KV CBCT) – Both are required
3	Page No-109 Point No-15	Portal Imaging and Fluence based Patient specific QA/IGRT application	Portal dosimetry streamlines radiation therapy by using the linear accelerator's built-in Electronic Portal Imaging Device (EPID) to verify treatment doses. This digital, efficient, and precise approach dramatically improves patient safety while eliminating the need for cumbersome external physical phantoms. Hence, we request to include portal dosimetry based patient specific QA as a mandatory feature. On Page No 114- Portal Dosimetry Feature is mentioned as a mandatory supply. Kindly provide clarity on the whether to offer this feature as a mandatary feature.	Portal Imaging/ Fluence based Patient specific QA/IGRT application
4	Page No-113 Point No-61	It should be possible to transfer DRR and BEV images to EPID of Linear	Kindly do not delete this point as transfer of DRR and BEV images to the EPID will help in patient positioning and will help	As per tender document

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
		Accelerator.	ensuring treatment accuracy.	
5	Page No-113 Point No-63	Isocentre management:	Kindly do not remove this point as capability to create multiple isocenters in a single plan is necessary for treating long treatment volumes to ensure efficiency and precision in planning as well as treatment delivery. Limiting to just one isocenter in one plan would need multiple plans to be created, which will not only increase treatment planning time, multiple QAs has to be performed and will also increase treatment delivery time while questioning accuracy in dose delivery for junction areas.	As per tender document
6	Page No-114 Point No-70	Transfer of portal imaging system data for comparison	Request to keep both portal and imaging and KV imaging in the specs.	As per tender document
7	Page No 73- Point No 18	All software updates with all added features and hardware support (if required) shall be provided free of cost during warranty period. All mandatory software upgrades needs to be offer by bidder.	Kindly note, all Upgrades are on paid basis. We will offer all mandatory upgrades. Hence, request to amend from Upgrades to Updates.	Accepted
8	Page No-118 Point No: - 85, Specs No-23 Portal Imaging and Fluence based Patient specific QA/IGRT application		Need clarification on Fluence based Patient specific QA/IGRT application- It is third-party application, and we have not validated with our system. Hence request to delete /Amend this point Portal Imaging / Fluence based Patient specific QA/IGRT application	Portal Imaging/ Fluence based Patient specific QA/IGRT application

14	Page 93 Clause 47 Centralized AC	We recommend 5.5 Tr- 2 No:s (1W + 1S) for the treatment room, please specify the tonnage requirement for aligned rooms	Need clarity for providing the quote.	As per tender document
15	Page 93 Clause 50.1 General Requirements	Please specify the areas where false ceiling has to be provided and the type of material to be used. Please specify the areas where wall tiling has to be provided and the height of wall tiling to be provided. Please specify the list of furniture's to be supplied and installed and its approved make	Need clarity for providing the quote.	As per tender document
16	Page No.33 18. FALL CLAUSE		Request you kindly provide the confirmation on the below points: (i) Fall back clause should only be applicable for the identical supplies done within the territory of India (ii) Kindly confirm the timelines around the applicability of this clause	As per tender document
17	Page No.22	8. LIQUIDATED DAMAGE The entire ordered quantity shall be supplied (installed and commissioned) within 180 days from the date of issue purchase order or issuance of letter of credit or issuance of site readiness form (as per Annexure 21) whichever is later. Goods supplied after the above stipulated date i.e., 180 days will be liable for "Liquidated	LD Calculation shall be calculated from the date of the clean LC Extension of Time 1.1 Subject to the terms of this Agreement, Bidder shall be entitled to an extension of the time for completion of supply of Product (without the Customer making any claims for damages) to the extent that the supply of the Product is delayed by: 1.1.1 Customer not making timely payment in accordance with the payment terms	As per tender document

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
		Damage".	contained herein; 1.1.2 A variation in the terms of the Agreement due to a Change in Law; 1.1.3 Any delay, impediment or prevention caused by or attributable to the Customer, the Customer's representative/ consultants, or such other persons appointed by the Customer at the Installation Site; and Delays attributable to an event of Force Majeure, or any other reasons not attributable to any negligence or fault of International Bidder or Indian Bidder.	
18	Page No.32 16. PENALTY FOR SERVICE DURING WARRANTY/ CMC PERIOD		We request to kindly amend this clause as- Instead of any monetary penalty, equivalent no. of CMC days should be increased in the contract In the event an Invoice and/or any outstanding/overdue sums under an Invoice has been outstanding for over 90 (Ninety) calendar days from date of Invoice then, the Uptime Performance Guarantee, shall stand void and Varian shall no longer be obligated by the terms of the Uptime Performance Guarantee.	As per tender document
19	Payment for Turnkey:		Please note that Turnkey in this case would be a cost intensive project limiting our capability to fund. Therefore, there should be a provision for milestone-based payment as follows: 30% - Advance, 30% - Completion of Civil and Interior works, 30% - Completion of Electrical and HVAC works and 10% - Completion of Turnkey	As per tender document

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
			works and Handover for Machine Installation. For Turnkey - There won't be any remittance to foreign Principal in this case, as turnkey shall be taken care by Varian India local entity the same shall be bill directly to Institute with applicable local taxes as extra.	
20	Page No.5 EMD		We urge you to kindly amend this clause as: Supplier can submit the EMD in the form of Bank Guarantee/FDR/DD	As per tender document
21	LC Charges		Kindly note, All the LC charges shall be borne by the Institute/Tender Inviting Authority	As per tender document
22	Payment Terms		We have noticed in Amendment Page No 102, that, Payment is supported by Letter of Credit (LC) as below:- 100 % Payment Through Letter of Credit (LC) and Payment will be released in following stages: - a) 80% payment will be made against LC at sight after supply and verification of following documents: i. Original of the Supplier's Invoice, showing Purchaser, the contract number, Goods, description, Quantity, unit price, and total amount. Invoices must be signed in original and stamped or sealed with the company stamp/ seal. ii. Copy of delivery note, railway consignment notes, road consignment note, truck or air waybill, or multimodal	As per tender document Clarified as: LC is supported for Payment Terms.

		order or issuance of letter of credit or issuance of site readiness form (as per Annexure 21) whichever is later. Irrespective of any reason, the ordered quantity must be supplied within 180 days from the date of purchase order or letter of credit whichever is later. In case of delay in supply, LD shall be levied as per the tender conditions.	Customer shall be responsible for having the building, utilities, lighting, ventilation, air conditioning, mounting facilities, all necessary radiation shielding, radiation surveys required by Applicable Law, Product calibration and access to the room, including removal and disposal or other disposition of any existing linear accelerator, simulator, or similar and related equipment, completed prior to the estimated delivery date and ready for installation of the Product. The Customer shall ensure that Bidder is granted sufficient access to Installation Site and provide sufficient personnel to assist Bidder in the performance of its obligations. Bidder shall not be financially or legally responsible for such work. Further, all delivery, installation and warranty timelines stated in this Agreement are subject to the Customer complying with its obligations under this Clause in a timely manner. 1.3 Timeline for installation: If through no fault of Bidder, the product is not installed within 12 (Twelve) months [after delivery of the Product at the Customer Destination], installation will be performed on a paid service basis. Further, in such an event, Bidder shall not be bound by any of the Bidder Warranties provided by it under this Agreement."	
	Legal Points			

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
24	Fall Clause Deviation (Commercial)		The bidder notes that Clause 17 provides for price parity in respect of supplies of similar product(s)/systems during the contract period. It is requested to kindly clarify that the obligation under this clause shall apply only in respect of supplies of equipment/services of identical description, *i.e.* same nature, class, technical specifications, prevailing exchange rate, warranty scope, quantity and other comparable commercial terms and conditions, made to any other customer in India during the validity period of this undertaking. It is further clarified that this undertaking shall be valid until installation of the equipment but not later than twelve (12) months from the date of delivery of the equipment	As per tender document
25	Software Updates vs Upgrades Deviation (Commercial)		Software Updates (bug fixes/patches) provided at no additional cost; Supplier shall provide Software Upgrades (new versions/features) offered as separately priced items as per Commercial Form/Price Bid.	Accepted
26	Spare parts model Deviation (Commercial)		To support uptime, Supplier may recommend and/or maintain a list of critical onsite spares (spare-parts kit) as per OEM standard. During warranty/CMC, Supplier will bear the cost of repairs/replacement of defective parts as per tender, and Customer will provide reasonable access/storage support for onsite spares if maintained at site.	As per tender document

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
27	Liquidated Damages Deviation (Commercial)		Liquidated damages shall be applicable only for delays solely attributable to the Supplier. Delays arising due to customer-caused impediments, non-availability of site readiness, delay in statutory/regulatory approvals (including AERB/import permissions), or other causes beyond the reasonable control of the Supplier shall qualify for extension of time and shall not attract LD. Any levy of LD shall be proportionate, reasonable, and subject to prior notice and opportunity to cure. Aggregate liquidated damages shall be 10% of the contract value. Justification - Penalty under this clause is unlimited and contrary to Manual for Procurement of Goods 2017. According to Section 7.6.6(i) of Manual for Procurement of Goods 2017, A contract should not have an uncertain and indefinite liability.	As per tender document
28	Deemed cancellation / 20% penalty after 120 days Deviation (Commercial)		Any deemed cancellation and associated penalty shall not apply automatically. It shall require prior written notice, a reasonable cure opportunity, and shall apply only where delay is solely attributable to Supplier	As per tender document
29	Force Majure Deviation (Commercial)		Extension of time shall be available for delays beyond Supplier control, including statutory/regulatory approvals (e.g., AERB/customs/import permissions), acts of authority, and customer-caused impediments. Such excusable delays shall extend timelines	As per tender document

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
			and shall not attract LD.	
30	Risk purchase / additional procurement at Supplier cost Deviation (Commercial)		Any risk-purchase cost recovery shall be limited to demonstrable, reasonable and proportionate excess cost directly attributable to Supplier default, and subject to notice and opportunity to cure.	As per tender document
31	Blacklisting / debarment safeguards Deviation (Commercial)		Any blacklisting or debarment action shall be undertaken only after issuance of a detailed show-cause notice, grant of reasonable opportunity of representation, consideration of supplier's response, and issuance of a reasoned order, in accordance with principles of natural justice. Blacklisting shall be invoked only in case of repeated, material, and wilful breach of contractual obligations, and not for isolated or minor service delays.	As per tender document
32	CMC default entry / deemed agreement Deviation (Commercial)		CMC commencement requires written confirmation of scope, schedule and service mechanics, even if CMC pricing is nominal; no deemed service agreement without documented scope and acceptance.	As per tender document
33	Termination for convenience – compensation Deviation (Commercial)		Termination for convenience shall be handled as per tender. For customized/manufactured goods already completed or in production at the time of termination, the parties will mutually agree settlement for completed	As per tender document

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)

			goods/materials procured consistent with tender framework.	
34	Audit / post-payment verification Deviation (Commercial)		Audit/post-payment verification shall be as per tender. Any recovery/adjustment shall be based on documented overpayment/underpayment under this contract and shall be reconciled through notice and supporting records.	As per tender document
35	Insurance Deviation (Commercial)		Supplier shall maintain insurance as per OEM/Group policy requirements applicable to medical equipment supply and services in India and provide certificates upon request, as reasonably available.	As per tender document
36	Utilities, power quality G site conditions Deviation (Commercial)		Equipment performance, warranty and uptime presuppose stable power supply, environmental conditions, radiation shielding and statutory compliance at site as per OEM specifications; downtime attributable to such site conditions shall be excluded from uptime calculations.	As per tender document
37	Training Deviation (Commercial)		Training shall be provided as per tender requirements (including training sessions specified in the tender) at no additional cost. Any additional training beyond tender scope, if requested, will be mutually scheduled.	As per tender document
38	Change management / scope creep Deviation (Commercial)		Any change in scope, configuration, deliverables or timelines shall be managed through written change order with agreed commercial and schedule impact.	As per tender document
39	Tax/statutory Variation Deviation (Commercial)		Prices once fixed remain valid during the original contract period.	As per tender document

258(R1)/EQP/CGMSC/2026-27, Dt : 19/06/2026(LINAC)				
Sr. No	**Tender Reference**	**Tender Specification**	**Amendment/Clarification**	**Amendment**
			Tax/statutory levy treatment shall be as per tender (including impact on basic price and allocation of increases/decreases).	
40	Remote diagnostics / data protection Deviation (Commercial)		Customer permits secure remote access for diagnostics and support, subject to applicable data protection laws and OEM security protocols. Access is limited to support purposes.	Accepted
41	End-of-support / obsolescence Deviation (Commercial)		Supplier undertakes spares/parts support consistent with tender requirements. Where component obsolescence occurs, Supplier will provide advance notice where feasible and propose compatible alternatives, subject to applicable law/regulatory availability.	As per tender document
42	Software licence / IP protection Deviation (Commercial)		Software is licensed (not sold). Use is limited to supplied equipment and authorised clinical purposes; no reverse engineering or unauthorised third-party access.	As per tender document
43	Limitation of Liability Deviation (Commercial)		Supplier's aggregate liability under the contract shall be capped at 100% of the total contract value. Neither party shall be liable for any indirect, incidental or consequential losses, including loss of profit, loss of business or loss of reputation. Justification: Penalty under this clause is unlimited and contrary to Manual for Procurement of Goods 2017. According to	As per tender document

			manufacturer, thereby limiting fair competition. We request that the specifications be made generic and performance-based to ensure broader participation from eligible suppliers.	
73	11) Control console adjustments			
74		Control console displays, adjustments, display LED monitors 27 inch or more with back up at least 15-20 mins	Control console displays, adjustments, display LED monitors 21 inch or more with back up at least 15-20 mins. The monitor configuration specified in the tender is manufacturer-specific and does not have any impact on the clinical workflow or treatment outcomes. The requirement for a 27-inch monitor appears to be restrictive to certain manufacturers. Therefore, we kindly request that the specification be amended to "21-inch or larger monitor" to encourage wider participation and promote fair competition among eligible vendors.	Accepted

79		Make in India Purchase Preference clause in the tender document. It will also align the procurement process with the Government of India's Atmanirbhar Bharat initiative, aimed at strengthening indigenous manufacturing capabilities, reducing import dependency, and fostering sustainable economic growth. We believe that adopting this clause will support national priorities while ensuring quality and cost-effective procurement.	Preference to Make In India products (For bids less than 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document 50%. If the bidder wants to avail the Purchase preference, the bidder/ certificate from the OEM must upload a regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020 and its subsequent amendment thereof	As per tender document
